SECURING THE FOUNDATIONS FOR READING

LED BY
DR SARAH MOSELEY
Educational Consultant

Successful reading begins long before children become fluent decoders. This three-part twilight programme explores the essential foundations that underpin reading success, bringing together research, classroom practice and evidence-informed approaches to help every child become a confident reader.

WHY ATTEND?

Reading development depends on far more than phonics alone. This programme explores how language, attention, vocabulary, oral comprehension and meaningful classroom interactions work together to build strong readers. You'll gain practical strategies to strengthen early reading foundations and support pupils who need additional help.

WHY IT MATTERS

Reading comprehension relies on a broad foundation of language, vocabulary and background knowledge.
When schools deliberately develop these alongside phonics, pupils are better equipped to become fluent, confident readers.

YOU WILL EXPLORE:

- The essential foundations for successful reading
- Developing language & communication alongside phonics
- Supporting pupils who struggle with reading
- Creating classrooms rich in talk, vocabulary and comprehension
- Evidence-informed approaches to long-term reading success

THE IMPACT

Stronger reading foundations • Improved language development • Increased reading confidence • Better comprehension • More successful readers
